Made in the USA with both domestic and globally sourced parts.

## STAY ORGANIZED, PLAY CONFIDENTLY

# CONTENTS

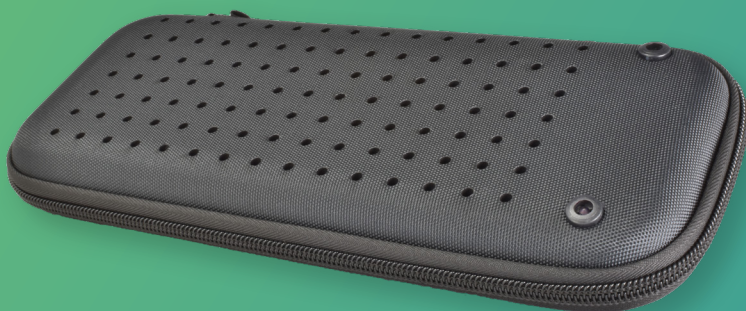

- Variable sized Elastic Loops for golf accessories.
- Two sewn in magnets for ball markers.
- Hinging Glove Shaper for proper glove storage.
- Premium Mesh Pocket to store additional items.
- Metal Carabiner to attach to your golf bag.

## EVA Case

Durable, water-resistant EVA Case coated with 600D Ballistic Nylon to protect inner contents.

## Ventilation Holes

Laser etched holes to allow airflow and proper ventilation for optimal glove drying and storage.

## Proprietary Caddie Case

Our Hinging Glove Shaper is part of our patented technology that optimally shapes and stores your golf glove while drying. Universal fit for both L/R handed golfers as well as all glove sizes.

## Easily Customized

Multiple customization options for golf clubs and company logos, including HTV Vinyl, Screen Printing, Embroidery, Patches and more.

## Customization & Collaboration

The Caddie Case is easily customized to meet all your specific club, business or event needs. Whether you want a genuine leather outer surface, custom embroidered logo or a neon color to stand out on the course, we can cater to a large variety of requests.

Customization subject to MOQ, Set-Up Fees and Increased Lead Times.

Contact Us for costs, lead times, MSRP and limitations.

## Surfaces

- Ballistic Nylon
- Genuine Leather
- Polyurethane
- Spandex

## Colors

Aside from our four core colors, a wide variety of colors are available for custom orders. Contact us for color availability based on surface material selection.

## Customize With Your Logo

- Heat Transfer Vinyl
- High Quality Embroidery
- Screen Printing
- Custom Patches (PVC, Leather, Embroidered)
- Leather Branding and Laser Engraving

STAY  
ORGANIZED,  
PLAY  
CONFIDENTLY
